Mitch, I am behind schedule this week and haven't followed up internally on the case issues. Can we do our call tomorrow instead? I apologize for any inconvenience.

Hi Steven,

Yes, I do. I'm open between 9:30 and 11:30 EST. Does that work?

Thanks,

Mitch

Hi Steven,

I wanted to let you know we will be getting a response to your group later this week. I have been quite tied up.

The essence is we see no problem in including the LTE patents as part of the discussions. I hope to have a response sent out Friday.

Thanks,

Mitch
